Agile

Epic Link:	Admin Module

Description

Job Titles The job titles specific to the company can be defined in this option. To add an entry, go to Admin>> Job>> Job Titles and click "Add". A screen as shown in Figure 1.4 would appear. Click "Save" once the fields are added.
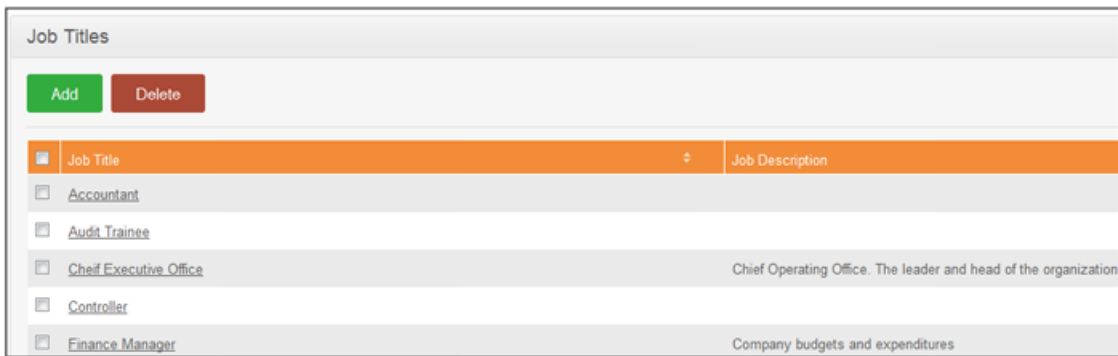

A list of job title(s) will appear as shown in Figure 1.5. You may also enter multiple job titles. You may view Job Title details by clicking on the name of the "Job Title.

To delete a Job Title click on the check box next to the Job Title name. It is also possible to delete multiple entries at the same time by clicking the check box entries you wish to delete and simply clicking "Delete".
